

Dear friends,

I love everything about this time of year—the lights, the music, the festivities. But most of all, I love spending time with family and friends. Getting together is even better when we add crafting. We create, we talk, we connect. In the end, we not only have handmade creations to share, we have memories to cherish.

A friend who comes to my monthly crafting events told me that these gatherings are just what she needs—crafting with friends helps take her mind off of her life circumstances. You can help people relax, recharge and connect by hosting your own crafting get-togethers. You'll have time with your favourite people and they'll leave with memories and handmade cards to give others. If you know someone who might be lonely, invite them to join you—it's a great way to lift someone's spirits. You can also stay connected by sending cards with your heartfelt wishes or delivering a card in person and staying to chat.

As you browse through this catalogue to plan your season's projects, you'll find lots of new products to love. You'll also see that some favourite products from previous catalogues are back. You loved them before, and now you can introduce them to even more crafters!

I hope you have a wonderful season filled with peace, joy and time with loved ones!
